

## Pain Research Award 50 000 DKK

We invite researchers to submit proposals for pain studies to be considered for a research grant of 50 000 DKK provided by Mundipharma.

Please describe your pain research proposal using no more than 250 words and submit to [ssai.workshop@gmail.com](mailto:ssai.workshop@gmail.com)

The abstracts will be reviewed confidentially by the moderator board and the best 5 projects will be discussed at the research workshop 28 August 11.30 to 12.45 during the congress.

Following a 5-minute oral presentation we will open the floor to questions and suggestions from the audience and the moderators.

The winner will be selected by the moderator board and the decision will be announced at the closing session where the winner must be present.
