

# Develop your research idea

## Workshop

28<sup>th</sup> & 30<sup>th</sup> of August 2019 at the SSAI congress in Copenhagen.

Take the opportunity to get recommendations from colleagues, scientific experts and anaesthesia journal editors to develop your research idea.

We invite researchers to present ideas and projects on all stages of development at the workshop. Following a short 5-minute oral presentation we will open the floor to questions and suggestions from the audience and moderator board.

The purpose is to advance each project whether in the research question, the methodology, the conduct, or in the future analysis and dissemination of results of the study.

This will also be a great opportunity to interest potential collaborators for multicenter trials.

### **Important dates for this workshop:**

16<sup>th</sup> May 2019: Workshop-abstract submission will open.

16<sup>th</sup> August 2019: Deadline for workshop-abstract submission

22<sup>nd</sup> August 2019: Workshop-abstract notification

### **Details:**

Abstracts (max 250 words) should include: Background, Methods and Discussion.

The abstracts will only be reviewed confidentially by the moderator board and will only be presented orally at the workshop.

Workshop duration: 1 hour 15 minutes. Approximately 4 abstracts will be discussed per workshop.

Registration is necessary.

Submit your abstract using [ssai.workshop@gmail.com](mailto:ssai.workshop@gmail.com)
